A VICENSIAND LATE OF THE PROPERTY SET OF THE PROPERTY OF THE P of Industry

is strikingly portrayed in the latest production of Nelson Productions, Inc., which is being used by the United States Government as an

Educational Feature

Beginning this week, the first of five features will be shown at this theater, showing how motor cars are built in what is probably the world's largest motor car factory. This factory also built

Liberty Motors

during the war, and one of the features shows how these were constructed. The typically American production system here portrayed was one of the biggest factors in winning the war with Germany. It has also placed America first in manufacture. No matter what your age or sex, you cannot afford to miss this very instructive series.
